

4 SURREY LANE

ATHERTON

MODERN CALIFORNIA MASTERPIECE

Built in 1912, this Atherton carriage home once housed horses and their groomsmen. Converted to a home in the 1950s, this property has been updated and offers conveniences of today's living. Located on a quiet cul-de-sac, this home offers privacy and seclusion.

Decorator Michael Taylor created a modern California masterpiece when he remodeled the home for the owners. His timeless touches are still present, although the home has more recent renovations and updates.
