

FEATURES OF THE HOME

- Great room with living room that offers a fireplace and views and doors to the exterior patio
- Formal dining area off the living room and kitchen offering easy access to dining
- Chef's kitchen features an island with many spots for seating plus a walk-in pantry; appliances include Sub-Zero refrigerator and freezer, double Wolf ovens, Wolf range, Asko dishwasher, Wolf microwave, and U-Line wine refrigerator
- Kitchen opens into family room with ample areas for seating and enjoying the views, a fireplace, and easy access to both the rear and side yards
- Glass-enclosed wine cellar off kitchen
- Main-floor guest room with en suite bathroom also works as an office or gym
- Mudroom with counter space and extensive cabinet storage
- Primary suite has a fireplace and the room overlooks the Western Hills; a marble bathroom with shower and separate bathtub and double vanities and walk-in closet make this primary suite a true retreat
- Second floor has four bedrooms – two of the bedrooms are en suite and two share a bathroom; each bedroom has a large closet and room for various furniture layouts
- The yard features expansive views, green turf lawn, and a putting green. The home was built to take advantage of the vistas and various exterior seating arrangements were designed to allow for enjoyment of the yard and grounds. Several rooms in the home open onto an expansive deck and one area features automated screens that create an 'outdoor room' around a fire pit
- Additional features: Lutron lighting controls and electronic shades in most rooms
- Las Lomas Schools
